Performance – Hate Crime overview

Force

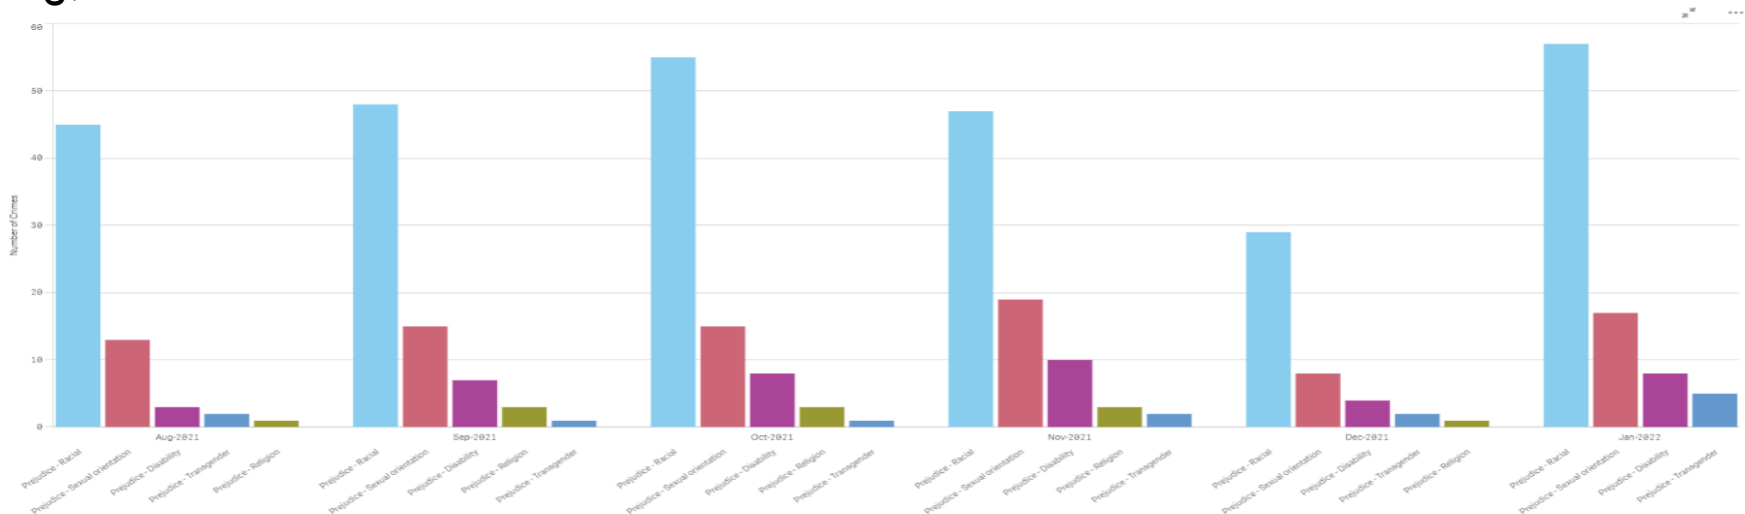

- Hate crime across the Force in January has returned to a post-Covid norm following an exceptional low in December 2021. 85 Hate crimes were reported in January 2022 across all strands except religion (versus an average of 66.2 over a 24-month period).
- Due to restrictions since the Covid pandemic, seasonal trends have been skewed, however racial and sexual orientation strands (strands with more notable volumes) are showing signs of returning to expected seasonal highs and lows.
