# Performance – Hate Crime overview

## Force

Hate Crime volumes report as within normal bounds, however show some signs of unease within its trend.

Summer highs have been slightly more extended which has resulted in year-on-year increases (126 crimes, +16.2%), largely within Sexual Orientation and Racial crimes, however Transgender also reporting an increase (+14 crimes, +73.7%).

This extended summer high is reflective of the trend seen within overall crime volumes, but is now showing signs of returning to the norm.

The Force is monitoring any signs of activity with detail that suggests hate directed towards the following activities; those of Russian origin, those of Muslim faith following increased visibility surrounding Ramadan, pro-Palestinian protest activity across the UK relating to Israel and Gaza conflicts.

The Hate Crime Silver Scrutiny Panel are looking to create a hate crime video to raise awareness of Hate Crime and how to report it, including details surrounding how the Criminal Justice System responds to it.
